Personal Profile

An Undergraduate student at KL University, undertaking Electronics and Computer Engineering. Upto date with New technologies like AI, Blockchain, etc. Has been working alone on a project that makes the Internet Decentralized. I am having zero experience because I have been looking for a company who are working in the Blockchain domain and building projects on web 3.0 technologies.

Education

KL University

BTech in Computer and Electronics Engineering

- Student Body Member
- Player of University Cricket Team

Andhra Pradesh, India

July 2019 - Current

Narayana Secondary Board of Education

High School

- Passed with Distinction
- Studied Physics, Chemistry, and Maths

Andhra Pradesh, India

Apr 2017 - Apr 2019

University Projects

Police Management System Using Blockchain

KL University

July 2021 - Nov 2022

Major Project

Andhra Pradesh, India

- In the current day policemen are using a centralized database to store their records and pieces of evidence but the problem is that a person who has been in good command of security can breach and remove the pieces of evidence. In order to eliminate that and to give justice even to the common man I have developed a decentralized system with the help of web 3.0 technologies.

Skills

Programming

Python (Pandas, TensorFlow, NumPy, Scikit-learn. etc.), solidity(web 3.0), Amazon Web Services, Google Cloud, HTML/CSS, JavaScript, SQL.

Soft Skills

Time Management, Teamwork, Problem-solving, Documentation, Engaging Presentation.

Achievements

2022 **Elite**, AWS Solution Architect

2023 **Elite**, Google TensorFlow Developer

2023 **Elite**, Google Cloud

2023 **Intermediate**, Web 3.0 Technologies

Interests

Cooking

I love cooking. I am Good at most Indian-style cooking, enjoy baking and making my own pizza.

Learning Technologies

I always believe that the technologies have the scope of addressing current era problems.

Sports

I played for the university's main cricket team and went on to win some remarkable matches for my team.

Video Games

In order to keep my mind fresh I used to play games. I mostly play on my phone and occasionally on my switch.

Swimming

I started swimming when I was 19. Going through submerged things while holding my breath was the most exciting part.

Music

I enjoy almost all types of music may it be screamo, punk rock, bluegrass, pop, psychedelic, rap, and Japanese.

Languages

English Professional proficiency

Telugu Native proficiency

Hindi Intermediate
